International Symposium on Condensed Matter and Material Science - 2020

Theme
Presenting Excellency of Condensed Matter and Material Science to Transform The World

25-26 March 2020
Kuala Lumpur, Malaysia

https://globalovert.com/Material-Science-Symposium-2020/
On behalf of the Organizing Committee and Advisory Board, we take immense pleasure in inviting Professors, research fellows, young researchers and experts in Theoretical, Materials and Condensed Matter Physics from academia and industry to Singapore for International Symposium on Condensed Matter and Material Science happening on March 25 - 26, 2020.

The conference is designed in a way to help you get the most out of the 2 days you attend. Whether you contribute as a speaker, presenter, delegate, sponsor or exhibitor, ISCMS - 2020 promises to provide innumerable opportunities to network, share ideas and collaborate.

Scope of the Conference: Wide range of presentations in the fields of Condensed Matter Physics, Theoretical Physics, Materials physics, Materials Science and Engineering, Meta Materials and Magnetic Materials, Nanomaterials and Nanotechnology, Solid State Physics, Quantum Physics and High Energy Physics, Superconductivity and Super fluidity, Graphene, Advanced Materials and Functional Devices, nanotechnology etc. in both experimental and theoretical research. For the details on sessions and session chairs please have a look into the scientific session’s page.

We look forward to seeing you in Kuala Lumpur!

Regards

Condensed Matter and Material Science Symposium - 2020

Program Committee

Conference Topics:

- Condensed Matter Physics
- Theoretical and Computational Materials Physics
- Experimental Condensed Matter and Materials Physics
- Solid State Physics
- Meta Materials and Meta Surfaces
- Superconductivity
- Semiconductor Materials
- Quantum Physics
- Electro-optics
- Advanced Ceramic Materials
- Bio-Physics and New Dimension in Technology
- Advanced Materials and Functional Devices
- Magnetism and Magnetic Materials
- Modeling and Simulation
- Molecular Transport
- Phonon Transport
- Nuclear Physics
- Nanomaterials and Nanotechnology
- Nanobiosensors
- Batteries and Energy Materials
- Mining, Metallurgy and Materials Science
- Surface Science and Engineering
- Biomaterials and Tissue Engineering
- Polymer Technology
- Crystallography
- Materials Chemistry and Physics
- Computational Materials Science
- Emerging Areas of Materials Science and Nanotechnology
DAY-1 | WEDNESDAY | MARCH 25, 2020
08:00-09:00 : Registrations
09:00-09:30 : Opening Ceremony and Introduction
09:30-10:30 : Plenary Session I
10:30-11:00 : Refreshment Break
11:00-11:30 : Keynote Session I
12:30-01:30 : Lunch Break
13:30-15:00 : Invited Talks I
15:00-15:30 : Refreshment Break
15:30-18:00 : Invited Talks II

DAY 2 | THURSDAY | MARCH 26, 2020
09:00-10:30 : Plenary Session II
10:30-11:00 : Refreshment Break
11:00-12:30 : Invited Talks III
12:30-13:30 : Lunch
13:30-15:00 : Invited Talks IV
15:00-15:30 : Refreshment Break
15:30-16:30 : Poster Presentations
16:30-18:00 : Prize Distribution and Closing Ceremony

Important Dates:
Abstract Submission Opens: June 20, 2019
Early Bird Registrations Ends: August 15, 2019
Mid Registrations After: August 16, 2019
On spot Registrations: March 25, 2020
Conference Dates: March 25 – 26, 2020

ISCMS – 2020 ORGANIZING COMMITTEE

Prof. Dieter Suter
Technical University of Dortmund
Germany

Prof. Subbiyan Rajendran
University of Bolton
UK

Prof. Takayoshi Kobayashi
National Chiao-Tung University
Taiwan

Prof. Feo Kusmartsev
Loughborough University
UK

Prof. Rajan Jose
Universiti Malaysia,
Malaysia

Prof. Mohd Arif Bin Agam
University of Tun Hussein Onn
Malaysia, Malaysia
LEARN NEW TRENDS, STRATEGIES, AND TACTICS:
This Conference provides a unique networking and collaboration opportunity where you can promote your products and gain brand recognition and credibility. It delivers cutting-edge research in an intimate setting where attendees and exhibitors receive personalized customer service. Sponsors and exhibitors will benefit from great foot-traffic and generous signage recognition.

GET SMARTER:
Learn how other researches can play a role as a key accelerator in your work and gives you a competitive edge to achieve precision in desired outcomes. Learn better ways to innovate, collaborate, work and report.

GAIN GLOBAL PERSPECTIVE:
With attendees representing many countries, your ability to engage with global sustainability leaders and your opportunity to envision your work with global lens will be worthwhile.

SHARE YOUR THOUGHTS:
Bring your expertise to the grassroots level and help the community through collaboration and networking. If you are interested to speak at the conference, please submit your content ideas and boost your professional status.

SPONSORSHIP & EXHIBITOR PROSPECTUS
How does sponsoring/exhibiting at the Condensed Matter and Material Science Symposium - 2020 conference benefit my business?
Designed as a must-attend event, you increase your visibility. You will have direct exposure with your target audience and a chance to talk one-on-one with business decision makers who need your goods and services. This method is more personal and effective.

If I am unable to attend the conference, can I still get my company’s information to attendees?
Yes! Condensed Matter and Material Science Symposium - 2020 has remote vendor opportunities. Each attendee is provided with a complimentary tote bag that will contain proceedings book and the program. Each vendor member will have the opportunity to promote their business via a full-page flyer, gift item or brochure insert.

Benefits of Sponsorship include:
- Market your organization and technologies to highly targeted audiences of industry professionals
- Network and interact one-on-one with colleagues, luminaries, industry leaders, and prospective business partners to expand your vertical markets
- Reach every attendee with your company message before, during, and after the conference
- Your company’s logo and profile highlighted on the conference website for maximum web exposure
- Acknowledgement anywhere sponsors are collectively listed
- Exposure in conference program and conference proceedings
- Prominent signage with sponsor logo promoting your sponsorship onsite at the conference
All Sponsorships include:

- Your company logo on the International Conference on Condensed Matter and Material Science Symposium - 2020 Webpage with link to your website
- Your company profile in the conference program and conference proceedings
- Complete attendee list given upon conclusion of the conference (within 2 weeks)
- Sponsorships that are $3,000 or above will receive an exhibit table in the exhibit or registration area.

In recognizing today’s economic realities, the Program Committee is open for individualized sponsorship opportunities to meet any budget. Please contact Mackenzie Quinn at iscms2020@globalovert.com today so that I can tailor a sponsorship specific to your needs.

The Earlier You Register, The Earlier Your Information is Available to Attendees.

ISCMS - 2020  
iscms2020@globalovert.com
Kuala Lumpur. A city that is truly one-of-a-kind. You’ll find the world in this city but you’ll never find anything quite like it anywhere else in the world.

For starters, KL (as we fondly call it) has its very own global icon in the PETRONAS Twin Towers, soaring 452 meters above street level and 88 stories tall. This mega structure towers majestically over KL, presenting a universal view of the icon from any corner of the city. Just beneath the Twin Towers are Malaysia’s best shopping spots, featuring haute couture brands to trendy street fashions. For those with a penchant for Broadway-like theatres, meet KL’s talented acting community that brings you fine shows and performances from the traditional to the satirical. Partygoers will find KL’s vibrant night scenes perfect to satiate their appetite for the most happening places to party.

But of course, if you yearn to experience the traditional old world appeal of Malaysia’s culture and values, the old streets of KL with its captivating day-to-day activities and aromatic smells will charm you. You’ll experience this city, with the echoing music of its entertainment outlets, the beam of vehicle lights searching for the perfect late-night snack and colorful streetlights - a spectacle that proves KL as a definite place to visit for world travelers.

Registration includes:
- Access to all scientific sessions, poster sessions, exhibitions
- Handbook & conference materials
- Lunch, tea / coffee breaks during the conference days
- Certificate accreditation from the organizing committee
- Access to the attendee’s email list (post conference)
- Internet access in meeting rooms
- 10% abatement on the registration fees for the next annual conference
